As the curtain closes on this elegant evening, we're reminded of Jay Gatsby's words: 'Can't repeat the past? Why of course you can!' And tonight, we've done just that—reveling in timeless glamour, indulgence, and a cinematic journey we won't soon forget. As we close the book on this evening, let's not endlessly chase the past, but savor the memories we've made together. Here's to the past, the present, and the dazzling future. Thank you, and until next time, Old Sport!
