## Admission Requirements

Admission to graduate study is a two-fold evaluation process. The Office of Admissions determines eligibility for admission to the university, while the academic department determines admissibility to the degree program.

Final admission is subject to approval by the Office of Admissions.

### Minimum University Admission Requirements

- A bachelor's degree from a regionally accredited U.S. institution, or comparable degree from an international institution; or
- A graduate degree from a regionally accredited U.S. institution, or comparable degree from an international institution

Students must also be in good academic standing at their last institution in order to be considered for graduate study.

### Application Checklist

- Current résumé / CV
- Personal statement questions (within the online application)
- Two (2) letters of recommendation
- Scores from a nationally standardized graduate admission test (waived through 2026)
- Official (sealed) transcripts from each college or university attended
